Eltomation completed shipment of new WWCB/EB Plant to Inner Mongolia, China

Eltomation has recently completed the shipment of a new WWCB/EltoBoard production line to the company Huarong Industry Group in Huhhot, Inner Mongolia, China. The order includes the turn-key supply of a complete plant for the production of 60 cm wide WWCB and EltoBoard. This plant will enable the production of over 13.000 m² finished board per day. Included in the turn-key supply are amongst others an ELTOMATIC Rotating WW Machine and a complete Dosing, Mixing and Forming Line. Furthermore the EltoBoard Press is included. Eltomation expects to be able to put the new equipment into production during May/June 2008.
