Eltomatic very successful during Economic Mission to Russia

Eltomatic has recently participated at the Dutch Economic Mission to Russia, organised by the Dutch Economic Information Service from 5-10 November 2007. This mission was lead by Mr. Frank Heemskerck, the Dutch State Secretary of Economic Affairs.

During the mission, **Eltomatic signed a contract with the company OOO Fibrolit** for delivery of a complete plant for the production of 60 cm wide WWCB. The Plant will be located in Mordovia Oblast. This plant will enable the production of over 13.000 m² finished board per day. Eltomatic expects to be able put the line in production by early 2009.
